Annual Report

2021-2022

In 2021 we started the year creating operational plans for all of our events. Luckily for us the health order requirements changed allowing us to do our events without operational plans.

Car Show: The car show was held the weekend that would have been Anchor Festival. It was held as a event by itself with an estimated 100 cars. The car show was held on a Saturday instead of a Sunday which allowed for people to shop and eat while visiting. The car show may continue as an event on its own.

Wine Walk: The July wine walk was a success with the wineries setting up in the street which allowed for more room in the stores to shop. Allowing the street to be closed for the wineries contributed to the success of the event.

Anchor Festival: After being off, a scaled down version of the Anchor Festival was held in August. The event included the Carnival, some entertainment and a few vendors. It was a scaled down version, but still drew great crowds and close to normal ticket sales.

Cider Walk: This event was a success with a few vendors and the stores being open in the evening. It was held in the fall which is a good time of the year for shopping.

Anchor City Cook Off: After missing a year the Anchor City Cook Off held in October brought teams and judges many of them visiting Centralia for the first time. We had 30+ judges who were here all day. They all had time to shop. The judges love to come to Centralia. They enjoy the shops and the environment.

Golf Tournament: The golf tournament was held for the 2nd year. This is an opportunity for networking as well as fundraising for the Chamber. We anticipate this tournament growing over time.

Farmers Market: The Chamber membership did not meet as often during 2021 due to Covid. During those meetings the Farmers Market was discussed. The market started with some financial help from the Chamber with insurance and startup printing expenses. The success of the market was due to the strong leadership of Taylor Warbritton. The market will continue to grow.

Shop Local: throughout the year the Chamber promoted shopping local through advertising and events. The advertising included coop advertising for Christmas on radio and newspaper.

Christmas Market: The Chamber sponsored the reindeer, Santa visits and the food trucks on the night of the Tractor Parade.

Columbia Missourian: Over the last several years the Chamber has been advertising in the Columbia Missourian's Summer and Winter travel guides. The guides are available on line. The advertising has promoted day trips to Centralia for shopping as well as lodging opportunities in Centralia.

Day Trips: The opening of several new businesses this year has increased the opportunities for day trips to Centralia. Visitors are choosing day trips to small towns with unique shopping opportunities, things to see and do and the friendly atmosphere the small town provides. The board held a retreat in January and discussed goals and ideas. Some of the ideas included:

Teacher Recognition: The Chamber will award the first Teacher of the month for January sometime in early February. It will be a teacher from Chance Elementary, February a teacher from Centralia Intermediate School, March a teacher from Chester Boren Middle School, and April a teacher from both Centralia High School and Champion Academy. The prize will include a Chamber gift certificate for \$100 that can be spent in any Chamber member business. We are also collecting coupons from local merchants to include with the gift certificate.

Rebranding: The Chamber is discussing rebranding the shop local efforts with a new slogan, social media packets new logos etc.

Networking: The Chamber will change the focus for membership meetings to more networking opportunities. The board discussed having a breakfast meeting, a lunch meeting and an after hours meeting over the next 3 quarters. One meeting would have an educational component and the other two will be an opportunity for business to business interaction. This format may change over time when we see what works best for the membership.

In the future we will be talking more and more about how technology can help streamline events and promote Centralia in ways we haven't in the past. A positive that has come from COVID is that people are more aware of what is available right here in Centralia. We have seen an increase in local shopping.

- IV. Treasurer's Report
- V. Recreation Center
- VI. Park Report
- VII. Golf Course
- VIII. Pool Report
- IX. Items Which May Arise
- X. Adjournment

***NOTICE OF CLOSED MEETING AND VOTE**

This notice is being given more than twenty-four (24) hours prior to the meeting.

A copy hereof shall be posted at the Centralia Recreation Center. At a meeting of the City of Centralia Park Board, to be held Tuesday, February 8, 2022, beginning at 12:00 o'clock, P.M., in the Activity Room at the Centralia Recreation Center in Centralia, Missouri, the Park Board may elect to go into closed session and hold a closed vote, and the purposes of such closed session and closed vote shall be hiring, firing, disciplining or promotion of particular employees by a public governmental body when personal information about the employee is discussed or recorded; or for leasing, purchase or sale of real estate by a public governmental body where public knowledge of the transaction might adversely affect the legal consideration therefore, provided for under Section 610.021 (2) of the Revised Statutes of Missouri.

Centralia Park Board Meeting Minutes (unapproved)
Tuesday, February 8, 2022
Centralia Recreation Center
12:00 PM

Park Board Members Present: Mike Kinkead, Dale Davidson, Harold Beasley, Richard Dickerson, Mandi Barnes, Lindsey Magley, Marilyn Dick, and Phil Hulen.

Also Present: Erle Bennett-Park Director, Andrea Owens-Secretary, and Brandon Kinkead-Pool Manager.

Meeting was called to order at 12:03 p.m. by President, Mike Kinkead.

The January 18, 2022 Minutes were approved by consent.

The Treasurer's Report was not ready at this time.

Recreation Center

The Park Director reported that Koonse Glass has completed tinting the windows on the South side of the gymnasium to help with glare for a total cost of \$734.40.

Harold Beasley made a motion with a second from Richard Dickerson to approve the addition of \$6,500 to the 2022-2023 Budget in order to purchase a Pop-A- Shot Game for the Game Room. Motion passed unanimously.

The Park Director reported that the Shuffleboard table has been repaired in the Game Room.

The Park Director reported he ordered the new Stair Master for the Fitness Center and will be billed and delivered after April 1, 2022.

Mandi Barnes made a motion with a second from Dale Davidson to approve the installation of a water bottle filler at an approximate cost of \$700.00-\$950.00. Motion passed unanimously.

The Park Director reported that the Youth Basketball League is over, and the last games scheduled for February 5, 2022 were canceled due to weather.

The Youth Volleyball League for 5th-6th grade girls has started practicing two times a week, and games will be held at the Centralia Recreation Center on Saturdays beginning February 26, 2022. The Park Director reported that he has purchased practice balls, game balls, and antennas for the nets.

Richard Dickerson made a motion with a second from Lindsey Magley for the Park Director to pursue working with Lisa Matthieson on three different grants from the Child Care Relief Fund. Motion passed unanimously to support the After School Program.

Discussion was held regarding the option of adding a staff member to be in the Fitness Center to monitor 8th grade students two times a week who would like to lift weights after school. No decision made at this time. To be further addressed at a later date.

Discussion was held concerning ice and snow removal from the four ADA parking spaces in the Recreation Center parking lot. The Park Director reported that the sidewalks and ADA spaces are treated with ice melt after snow is removed. The snow residue and or ice on the asphalt will not dissipate until the asphalt surface heats up and has time to evaporate. The Park Director reported that the two ADA spaces and adjoining 3-4 regular parking spaces immediately to the west of the building entry face two additional issues in total dissipation of residual snow and ice:

- 1.) The building shades these spaces during the afternoon, which prohibits the asphalt from warming up enough to melt and evaporate snow and ice.
- 2.) The parking lot does not have enough grade to allow for run-off of melted ice/snow, therefore the water will re-freeze at night.

Resolutions could include moving the spaces further from the entrance or shutting those spaces off until clear. No decision made at this time.

Park

The Park Director presented a planning grid for 2022 projects and major purchases for the entire system—see attached. Amendments will be made before the next meeting.

The Park Director presented options for future projects throughout the Park System, which include the following:

- Construction of Outdoor Pickle Ball Courts
- Drainage and re-surfacing of the Basketball Courts at the City Recreation Park.
- Re-surfacing the Tennis Courts
- A Park to be located in the Northeast corner of the town
- 5 Phase Golf Course Improvement beginning with the new Clubhouse

Discussion was held regarding replacement of the backstop and fencing at the North Field. The minimum height for the backstop is 30 feet, which would eliminate chain link fencing as an option. Post and netting will be required to complete the project. A wall will be required at the base of the net. The project is to be completed by the Fall of 2022. Completed plan and price will be presented at the next meeting.

The Park Director reported that Flag Football for 3rd and 4th graders will take place during the month of April 2022. Registrations will be on-line and available mid-February 2022.

The Centralia Summer Youth League for Baseball/Softball/T-ball/Wiffleball online registrations are now available until March 18, 2022: cmaa.activesports.com/towns/centralia

Golf Course

The Park Director reported that the following projects are planned in specific order for the Golf Course based on available funds:

- 1.) Construction of new building
- 2.) Demolition of old Clubhouse
- 3.) Resurfacing the asphalt on parking lot and entry/exit lanes
- 4.) Refurbishing the Golf Cart shed
- 5.) Addition of Amenities (Miniature Golf, Shelter House, etc)

The Park Director reported that brush has been cleared out behind #5 tee box. Wildflowers will be planted in that area. Wildflowers have been planted in the area near #8 Green.

By unanimous consent, the Park Board gave the Park Director permission to construct an area to contain sand used at the Course.

The Park Director reported that some of the members of the Golf Course are converting donated clubs for Youth Golf.

The Centralia Friends of the Park and members of the community are collaborating together to plan camps and family nights out at the Golf Course for summer 2022.

The Park Director reported that the Hubbell Foundation donating \$3,000 for Richard Dickerson donating over 40 hours of volunteer work for the Park Department. This donation will go towards refurbishing one of the bridges at the Course.

The Park Director reported he is applying for a Scrap Tire Grant in order to assist in the purchase of picnic tables and benches at the new Clubhouse.

Lindsey Magley left at 1:01 p.m.

Pool

The Park Director reported that the following lifeguards will be returning for the Summer 2022 season: Mia Auck, Claire Bennett, Bannon Moran, McKinnley Patrin, and Nealia Todesbusch.

Richard Dickerson made a motion with a second from Harold Beasley to hire the following lifeguards pending on passing the Swim Test: Josh Bowne, Katie Carrico, Annie Robinson, and Morgan Ross. Motion passed unanimously.

The Park Director reported on solutions for the Swimming Pool and Splash Pad filtration systems:

- Marilyn Dick made a motion with a second from Mandi Barnes to replace the filter's leaves, covers, and a diatomaceous Earth Slurry Box to be purchased from American Filtration at a cost of \$8,901.00. Motion passed unanimously.
- Marilyn Dick made a motion with a second from Mandi Barnes to replace the UV filtration light for the Splash Pad. Product and labor to be provided by Columbia Pool and Spa at a cost of \$3,000.00. Motion passed unanimously.

The Park Director reported on solutions to a long standing leak in the pool. The primary source of the leak is believed to be in the main drain line. Possible solutions include:

- Lining the 10" Drain Pipe
- Replacing the valve and junction in the Drain Pit
- Replacing the box under the Drain Grate

Specific locations and solutions will be presented at the next meeting.

The Park Director reported that the gates at the pool slide will be repaired before opening.

A report was also given regarding the cost of re-coating the slide with epoxy. Costs are expected to be in excess of \$40,000. The project will be prioritized in the planning meeting.

Richard Dickerson made a motion with a second from Phil Hulen for Brandon Kinkead to pursue getting Lifeguard Instructor Certification at a cost of \$2,500, which includes training the four newly hired lifeguards.

Discussion was held regarding the need to hire a Water Safety Instructor in order to provide swim lessons in the 2022 season. The search for Aqua-size Instructors continues.

Items Which May Arise

Harold Beasley made a motion with a second from Phil Hulen to allow the Park Department to purchase a fire pit from Spirit Machinery at a cost of \$750.00. Motion passed unanimously.

Next regularly scheduled meeting will be held Thursday, February 24, 2022 at noon at the Recreation Center.

Meeting adjourned at 1:39 p.m.

Respectfully submitted, Andrea Owens, Parks and Recreation Dept Secretary.

Centralia Summer Youth League REGISTRATION 2022

Baseball/Softball/T-ball/Wiffleball

**Please DO NOT send Registration or checks to the school*

Online Registration

CMAA.ACTIVESPORTS.COM/TOWNS/CENTRALIA

C. Parking lot update

Director's Report

President's Report

Closed Session: N/A

Adjournment

DATED: February 7th, 2022

Alan Baca
PRESIDENT OF THE BOARD OF
TRUSTEES
OF THE CITY OF CENTRALIA,
MISSOURI
MUNICIPAL LIBRARY DISTRICT

**Centralia Public Library
Board meeting minutes
January 20th, 2022**

Trustees Present: Catherine Simmons, Alan Baca, Melissa Maxwell, Suzanne Long, Angie Taylor and Amber Brown.

Trustees Absent: Larry Dorman, Linda Luke and Katherine Butrum

Others in Attendance: Director Amy Hopkins

President Baca called the meeting to order at 6:17 p.m.

Public Comments: N/A

City Information Report: N/A

Minutes: December minutes were reviewed but could not be approved due to lack of quorum.

Treasurer's Report: Trustee Taylor made a motion to approve the December Treasurer's report, Trustee Simmons seconded. All in favor, motion carried.

New Business:

- A. FY22-23 Policy committee: Catherine Simmons, Melissa Maxwell & Amber Brown
- B. FY22-23 Budget committee: Alan Baca, Angie Taylor & Larry Dorman

Old Business:

- A. **Parking lot update:** President Baca presented a list of potential changes &/or additions to the parking lot project. Patrick Sapp with S&A Equipment provided a quote for the changes which included pin-on curbs for the new entrances, stairs at the South end of the new sidewalk and addition of a pipe (covered with topsoil) to aid in drainage between the existing lot and the East entrance. Keenan Simon provided an alternative to the pin-on curbs in the form of landscaping to visually define the entrances. After much discussion, the Board decided to move forward with the pin-on curbs at the entrances and adding the pipe w/ topsoil at the East entrance. The Board decided to not add stairs at the South end of the new sidewalk. Instead, a landscaping obstacle will be placed in that location to deter foot traffic off the end of the sidewalk. Trustee Taylor made a motion to accept these changes. Trustee Simmons seconded. All in favor, motion carried.

- B. **Landscaping:** James Lee will be asked to give the Board an estimate on landscaping around the new pavilion and in areas around the parking lot extension once S&A completes the project.

Director's Report:

Director Hopkins talked about the new magnetic maze toys that were ordered to replace the wooden puzzles in the Joyce Miller Children's room.

Dawni Henry was hired on Dec. 20th as our newest circulation staff member. She also works for the Parks Dept. and as a local funeral director. She is a Notary and will begin the process to become a Passport acceptance agent. Kim Morris has also agreed to become an agent as well. Once this happens, we can begin accepting Passport appointments on the weekends and evenings on a more consistent basis.

Director Hopkins also spoke about HB 2210 that was introduced earlier this month in the State Assembly to address unfair practices by publishers relating to Library purchasing of eMaterials.

President's Report: None

Trustee Simmons motioned to adjourn the meeting, Trustee Taylor seconded the motion. All in favor, motion carried. The meeting was adjourned at 7:43 p.m.

The next regularly scheduled meeting will be held on February 10th at 6:15 p.m. at the Centralia Public Library.

Respectfully submitted,

Amy Hopkins, Director
(*in the Secretary's absence*)
