Aaron Kelso

To whom it may concern,

I Aaron Kelso and my family have come to the very difficult decision of me resigning from my position here at the Forest City Police Department. My final day will be February 14th, 2024. It has been nothing but great experiences and great memories here at the Police Department. The community is lucky to have such a great Police Department as we have such an amazing group of Officers. I will be leaving Law Enforcement as I have received a job offer that is too good to turn down and will benefit my family greatly. I am going to miss the Forest City Police Department and community very much.
