RE: A New Chapter Campaign - Forest City Public Library

Dear Mayor Holland:

My brother, Dennis, passed away on February 1, 2003. Since that time I have donated yearly to numerous causes in his memory. These donations have been made according to criteria we agreed upon prior to his death.

I made a donation to the public library's new chapter campaign. My donation was in the amount of \$10,081.56. I have attached the receipt I received from the city. Since the intention of this donation was not fulfilled, I am asking that the entire amount be returned to me.

Dennis once told me that the true value of money is the good it does. Please know that once I receive this money, I do plan to donate it to other causes.

Please mail the check to my address shown below. If you have any questions, you may contact me at 641.251.4588. I do ask that this be handled promptly.

Thank you.

Sincerely,

Barb Lovick
