Subject: Approval of Countywide Consensus Block Grant Joint Resolution #SWBFY15/16-11

Executive Summary:

In 2014, the Wyoming Legislature appropriated \$70 million in Countywide Consensus Grant funding to counties for the biennium 2015-2016 in which Sweetwater County's portion was \$4,606,214.

Countywide Consensus Grant funding must be used for capital projects, and according to the rules, the local distribution and specific projects must be certified by Resolution by Sweetwater County and the entities representing 70 percent of the incorporated population (Green River and Rock Springs).

Currently, there is \$90 that was relinquished by entities in Sweetwater County that have completed their BFY 15/16 projects. The funding can be moved to the only open project which is Wamsutter's Street Lighting Project by Resolution. Moving the funding will clean up the unobligated appropriation balance sheet (attached) that is communicated to the State Loan and Investment Board and Wyoming Legislature:
