Honorable Mayor Tim Kaumo
City of Rock Springs
212 D Street
Rock Springs, WY 82901

Dear Mayor Kaumo,

Sweetwater Against Trafficking and Sleep in Heavenly Peace- RS is excited about the upcoming twelfth annual Rods and Rails Car Show in the amazing atmosphere of Downtown Rock Springs, slated for June 15th, the event will run from 10 am to 4 pm and feature music, food, entertainment and, of course, classic cars and trucks.

To facilitate the car show, we would like to respectfully request the temporary street closure of South Main and the parking strip on North Front Street on June 15th, from 7 am to 5 pm. After the car show has concluded we would like to ask that we keep the street closure in effect from Bank Court to the corner of C Street for a Sock Hop that will begin at 7 pm - 11 pm this activity will include music, food, and beverages. Additionally, we're planning Bed Races and hope to use North Front Street for those entries so we'd like to close the two-block section from the turn at Graffiti to the corner of North Front and K street from 10 am - 3 pm as well.

Mayor, we appreciate the continued support from you and the council and look forward to another exciting downtown event that support two local organizations working for the betterment of our community. Please contact me with any questions.

Respectfully,

Christal Martin

Dear businesses of N Front,

Sweetwater Against Trafficking and Sleep in Heavenly Peace Rock Springs are hosting the Rods and Rails Car Show this year as our annual fundraiser. We are two organizations that are all donation based and volunteer based working for the betterment of our community. We are asking all of the N Front street businesses to please support our efforts so that we are able to continue our amazing programs.

What do these organizations do for the community.

- Sleep in Heavenly Peace is a wonderful program with the mission of "No Kid Sleeps on the Floor in Our Town" and bring the community together through service to build and deliver beds to some of our most vulnerable populations.
- Sweetwater Against Trafficking is an Organization that brings Educational tools to help keep our youth and young adults safe from human trafficking and exploitation through our prevention education courses for youth and adults. We also include outreach services throughout Uinta, Sweetwater, and Sheridan Counties. The outreach program educates our hospitality industries about human trafficking and and how to report suspected cases.

We would like to ask each of you for permission to close N Front on June 15th from 10am-3 pm from Graffiti Records to the corner of K street so that we can incorporate a new event. This event will have beds that each team makes racing down and back for the opportunity to move forward. With a rival competition of guns, hoses, and stretchers. We are very excited to bring this event back to Sweetwater County.

How can this impact your businesses? We are hoping that this will have little impact on the business you receive on a regular Saturday. We hope actually that the foot traffic from the event will bring more exposure to the amazing products and services you provide throughout the day. We are also encouraging all businesses to host specials for this day. We truly feel that if we all come together through this event we can all benefit and enjoy.

We would like to thank you for your understanding and for your support for this wonderful event filled day!

Sincerely,

Christal Martin - Executive Director of Sweetwater Against Trafficking

&

Mike Bond - President of the Sleep in Heavenly Peace Rock Springs Chapter
