

## Square State Brewing Street Closure Request

To whom it may concern Square State Brewing located at 422 S. Main Street will be hosting a power weight lifting competition in the street directly in front of SSB on June 22<sup>nd</sup>. The event will begin at 12pm and end at 5pm. We would like to close the street for our event. We plan on using an I.D. station and banding in conjunction with our Malt Liquor permit to prevent under age consumption. All employees staffing the event are TIPS trained and certified. We would also request to borrow RSPD's I.D. scanners for our event. Please see map drawing for closure details.
