Monday route residents should put their can out Sunday night and Tuesday residents should put their can out Monday night to ensure your can is not missed.

Recycling pickup starts Thursdays at 7:30 AM. Stay updated with this schedule on our Facebook or on the City of Sheldon website.

Place your can on the edge of the curb. Please make sure the wheels are facing your home and the opening to the street. All garbage must fit in your can with the lid closed. There must be 3 feet of clearance around your can. Please do not place next to mailboxes, light poles, parked cars or other obstructing objects.

Effective 6/18/23
